# **OSRAM**

# TYREinflate Connect 650

# **Download via App**

The smart app stores the tyre pressure for your car and downloads it to the OSRAM TYREinflate Connect 650

# **Auto Stop function**

Auto Stop function when preset pressure is reached.

#### **Leak Detection**

Including function to detect a loss of tyre pressure

#### **OSRAMconnect**

Connecting you with your car

# OSRAMconnect App compatible tyre inflator

Improve your driving performance and fuel costs by making sure your tyre pressure is correct. The OSRAM TYREinflate Connect 650 is a digital tyre inflator compatible with the OSRAMconnect app, with a backlit display for easy and accurate pressure measurement and inflation<sup>3)</sup> of tyres, showing pressure values in BAR, kPA and PSI. The app can store up to 5 vehicles and the associated information and has a function to detect a loss of tyre pressure. Furthermore, the OSRAM TYREinflate Connect 650 has an automatic switch-off function as soon as the preset pressure is reached. In addition, it has a storage compartment for valve caps, a 3.3 m long retractable power cable with a 12V fuse plug, a 65 cm long flexible air hose with an easily accessible holder and an additional LED light for illumination at night or in poor lighting conditions and a large on/off switch for additional manual operation. An inflation time of about 3 minutes<sup>2)</sup> gets you on the road and where you need to be fast. Also included is a 3-piece adapter set, for bikes, balls and other inflatables, and a durable storage bag. OSRAM provides a 2-year guarantee on this product 1) 1) For precise conditions please refer to: www.osram.com/am-guarantee

- 2) Based on inflating a 13" tyre from flat to 2.41 BAR
- 3) Measurements of the tyre pressure and inflation of the tyres to the optimum tyre pressure must always be conducted on cold tyres

# Product family datasheet

# Technical data

	General Product Information	Electrical Data	Physical Attributes & D	Dimensions
Product description	Global order reference	Nominal voltage	Length	Width
TYRE inflate Connect 650	OTIC650	11.1 V	200.0 mm	90.0 mm
		Operating Conditions	Additional product data	Capabilities
Product description	Height	Noise Level (dB)	Display Type	Fuse
TYRE inflate Connect 650	219.0 mm	90 dB	Digital	10 A
	Environmental & Regulatory Information Information according Art. 33 of EU Regulation (EC) 1907/2006 (REACh)			
Product description	Primary article identifier	Candidate list substance 1	CAS No. of substance	Safe use instruction

Product description	Declaration no. in SCIP database
TYRE inflate Connect 650	f2f01f10-b494-4e57- ad3c-e7f344875985
